

STAYFOU

ABOUT

Stayfou is a luxembourgish artist-collective, having built its foundation in new Hip Hop and Rap music. Formed by the individual rap artists and musicians Skinny J, Turnup Tun, Tommek, Ragga, Luk and Maddy – you are in for a treat with a guarantee that you haven't seen anything close to their performance in a long time on a luxembourgish stage. They're always packed and strapped with the hardest modern trap beats as well as the good old fashioned classic hip hop sounds you know from back in the day.

Be prepared for a diverse and energetic live show packed packed with some serious controversy.
